## Overview of the connection status

Equivalence in the framework Български ЗЕЛЕН инструмент за оценка на съответствието between the hierarchies [BG - National Industry competence framework / NVQ Structure](#) and [Техник по поддръжка на вятърни инсталации](#)

	<a href="#">BG - National Industry competence framework / NVQ Structure</a>	<a href="#">Техник по поддръжка на вятърни инсталации</a>
Number of items in the tree:	10	31
Total number of possible item-to-item connections between hierarchies:		10 x 31 = 310
Number of defined item-to-item connections:		0 (0.00%)
Number of items that contain a list of elements/competencies:	6	14
Total number of possible competency list-to-list connections between hierarchies:		6 x 14 = 84
Number of defined list-to-list competency connections:		6 (7.14%)
		6  Completed, 0  Incomplete, 0  Not relevant
		0  Not processed (but items related)
		78  Not processed (and items not related) » <a href="#">Reset</a>
