

Overview of the connection status

[Back](#)

Connection in the framework Installation technician in Solar thermal energy - 'Equivalencies' Assessment Tool between the hierarchies "FR - Solar Power (Pv) Installation and Maintenance technichan" and "Install And Maintain Solar Thermal Facilities"

	<u>FR - Solar Power (Pv) Installation and Maintenance technichan</u>	<u>Install And Maintain Solar Thermal Facilities</u>
Number of items in the tree:	116	8
Total number of possible item-to-item connections between hierarchies:	116 x 8 = 928	
Number of defined item-to-item connections:	152 (16.38%)	
Number of items that contain a list of elements/competencies:	49	7
Total number of possible competency list-to-list connections between hierarchies:	49 x 7 = 343	
	211 (61.52%)	
Number of defined list-to-list competency connections:	81 Completed, 74 Incomplete, 56 Not relevant 0 Not processed (but items related) 132 Not processed (and items not related) - Reset	
Overview of the connections:	- Expand all	- Expand all
	<ul style="list-style-type: none"> <u>Solar Panels for Power generation</u> 0 item relations <u>Faciliter les progrès du thermique solaire (chauffage direct de l'eau)</u> 0 item relations 	<ul style="list-style-type: none"> <u>INSTALL AND MAINTAIN SOLAR THERMAL FACILITIES</u> 0 item relations
